***NEW ROAD OPENS INTO ELLENBROOK***

Local residents now have easier access to shops, cafes, and the multitude of other facilities at Ellenbrook Town Centre with the completion of the extension between The Promenade and Henley Brook Avenue.

"The opening of the new road is a major milestone for Ellenbrook, creating a third access point into the town," Ellenbrook Project Manager Justine Mountford said.

"The extension was bought forward in response to local residents' requests for improved access to and from Ellenbrook.

"As a Regional Centre, Ellenbrook services a population that stretches from Reid Highway through to Bullsbrook, with The Shops alone drawing customers from as far afield as Chittering and the Perth Hills".

"This new entry point will help to ease the flow of traffic into the Town Centre and ensure that the infrastructure is in place to support the future growth of Ellenbrook."

The road was opened to traffic on Monday 30<sup>th</sup> March 2009.
